

Junior TOBA Development Program

Introducing Skate Canada Manitoba's newest program. Skaters who are: Pre-Preliminary 8 and under, Preliminary 9 and under, Jr. Bronze 10 and under, OR competed in Pre Juvenile as a Sectional Skater and are age eligible for Juvenile for 2008-09 season are eligible for this new and exciting Jr. TOBA Program.

Skate Thompson coach, Sue Sutherland, and five Skate Thompson STARSkaters were invited to attend the seminar in Morden on Sunday, March 15. This seminar was a wonderful opportunity to work with some great coaches and Team Manitoba members. Skaters of similar ability and age from across Manitoba came together in a friendly, noncompetitive environment.
