SAMPLE NOMINATION

Most Dedicated Program Assistant Award

Candidate: Susan Helper  The Best Skating Club

Nominated by: Sharon Marker (coach) 729 8832 emailaddress.com

Susan started babysitting for us several years ago. She has always been a reliable and mature young lady. She is always interested in our children, both when she is babysitting and also anytime she sees them. She has walked to school with us, helped the kids at skating and even makes special treats for them at Halloween. Our kids have always thought of Susan as someone special to them. We think she is an outstanding person and an excellent role model in the community.

CanSkate Parent,
June Jones

To Whom It May Concern:

Susan is currently enrolled in my Grade Ten English Class at Hills Collegiate Institute in Hills, Manitoba. Susan is a cheerful and courteous student. Susan participates enthusiastically in class discussions and activities. Over the course of the semester, Susan has demonstrated an excellent work ethic. Susan diligently submits all of her assignments completed and on time. Her attendance has been very nearly perfect; and Susan is never late for class. Overall, Susan has shown herself to be a diligent student. It has been a pleasure working with Susan this semester.

Sincerely,

Anthony Books

English Teacher, Hills Collegiate Institute.

Susan has been a PA for 5 years now for The Best Skating Club. She has always enjoyed being with young children and is happy to coach them skating the sport she loves to do for herself. First thing I hear from her coming through the door after skating is all about her skaters; she tells me many times she has the best kids, they are awesome and there's always a cute story to go along with her day about her skaters. Her skaters look up to her and you can tell they all really love her as their PA coach. She treats her volunteer job very serious making sure not to miss a session for any reason and to be on time. Susan has planned now for many years to take the CanSkate coaching course as soon as she is eligible which will be this summer when she turns 16. Susan helps with loading all the STARSkate music on the ipod for her coach. Susan has also volunteered at school on the yearbook committee; taking pictures for the school events and helping select them for the yearbook.

Sally Love (mom)

Susan has many years of experience in being a Program Assistant. Being a new coach my self, I am often turning to her with questions, which she always has the answers too. She has help me deliver a great program here in The Best Skating Club. The skaters are always happy to see her and request to skate with her often. She works very hard and with a great attitude. The Best Skating Club is very lucky to have her.

Sincerely, Coach Sharon Marker
